

Occupational Therapy

# **Visual Perception- Colouring within the lines**

Aniesa Blore

# Colouring with one colour

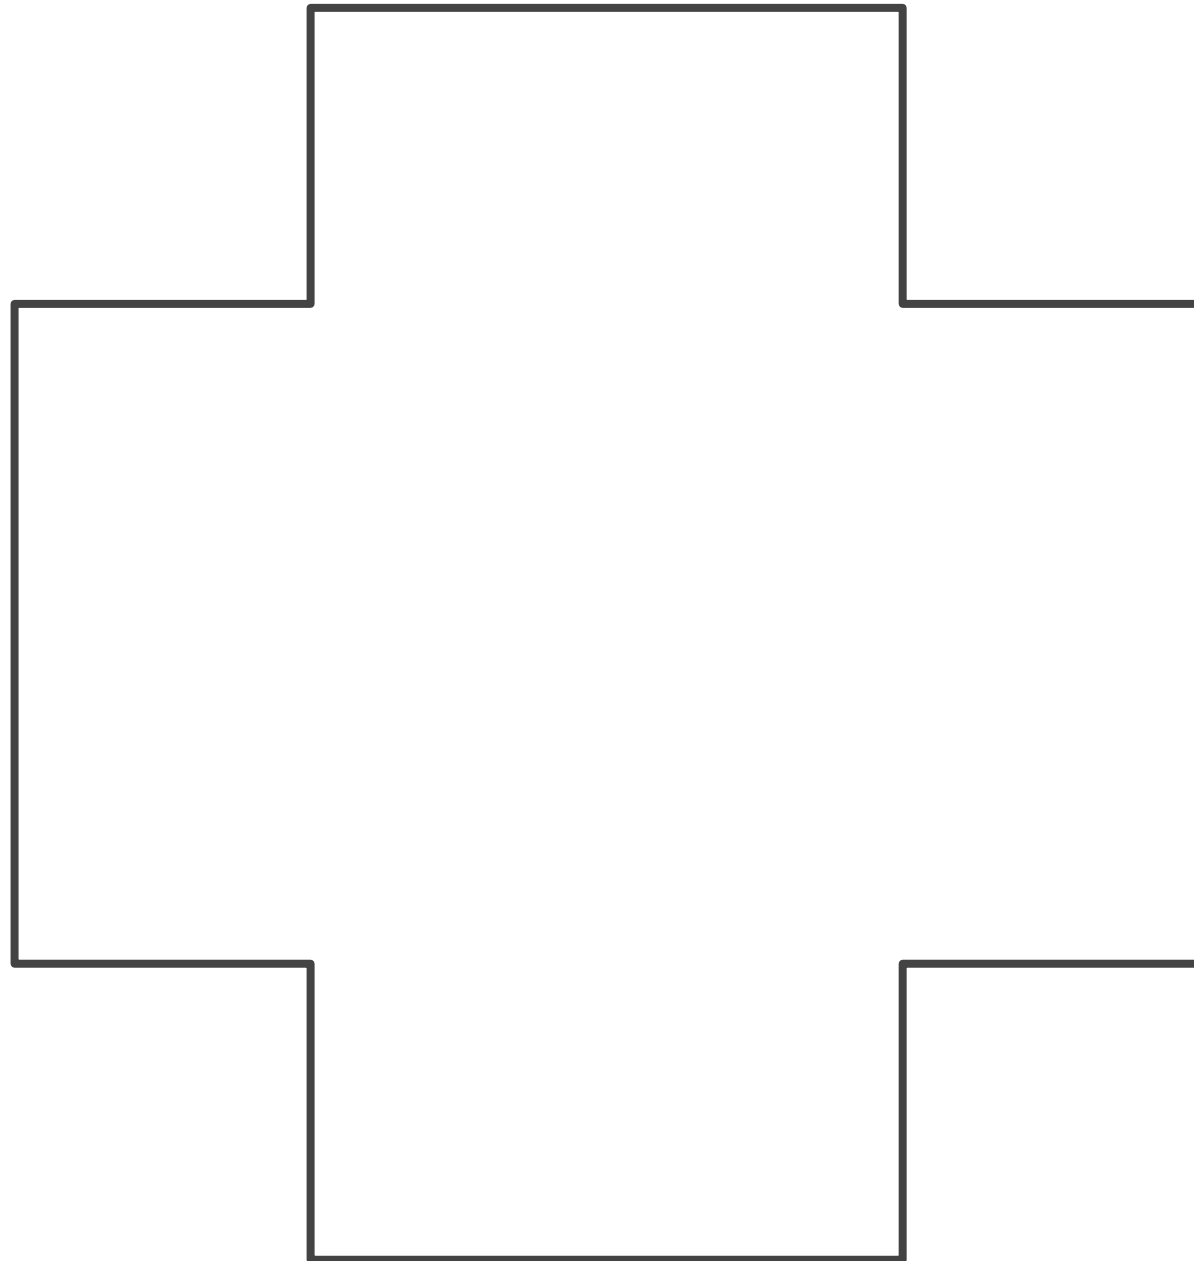

Colour in these shapes.

Pick just one colour and have a go colouring it in.

Try really hard not to go outside of the lines.

# Colouring with one colour

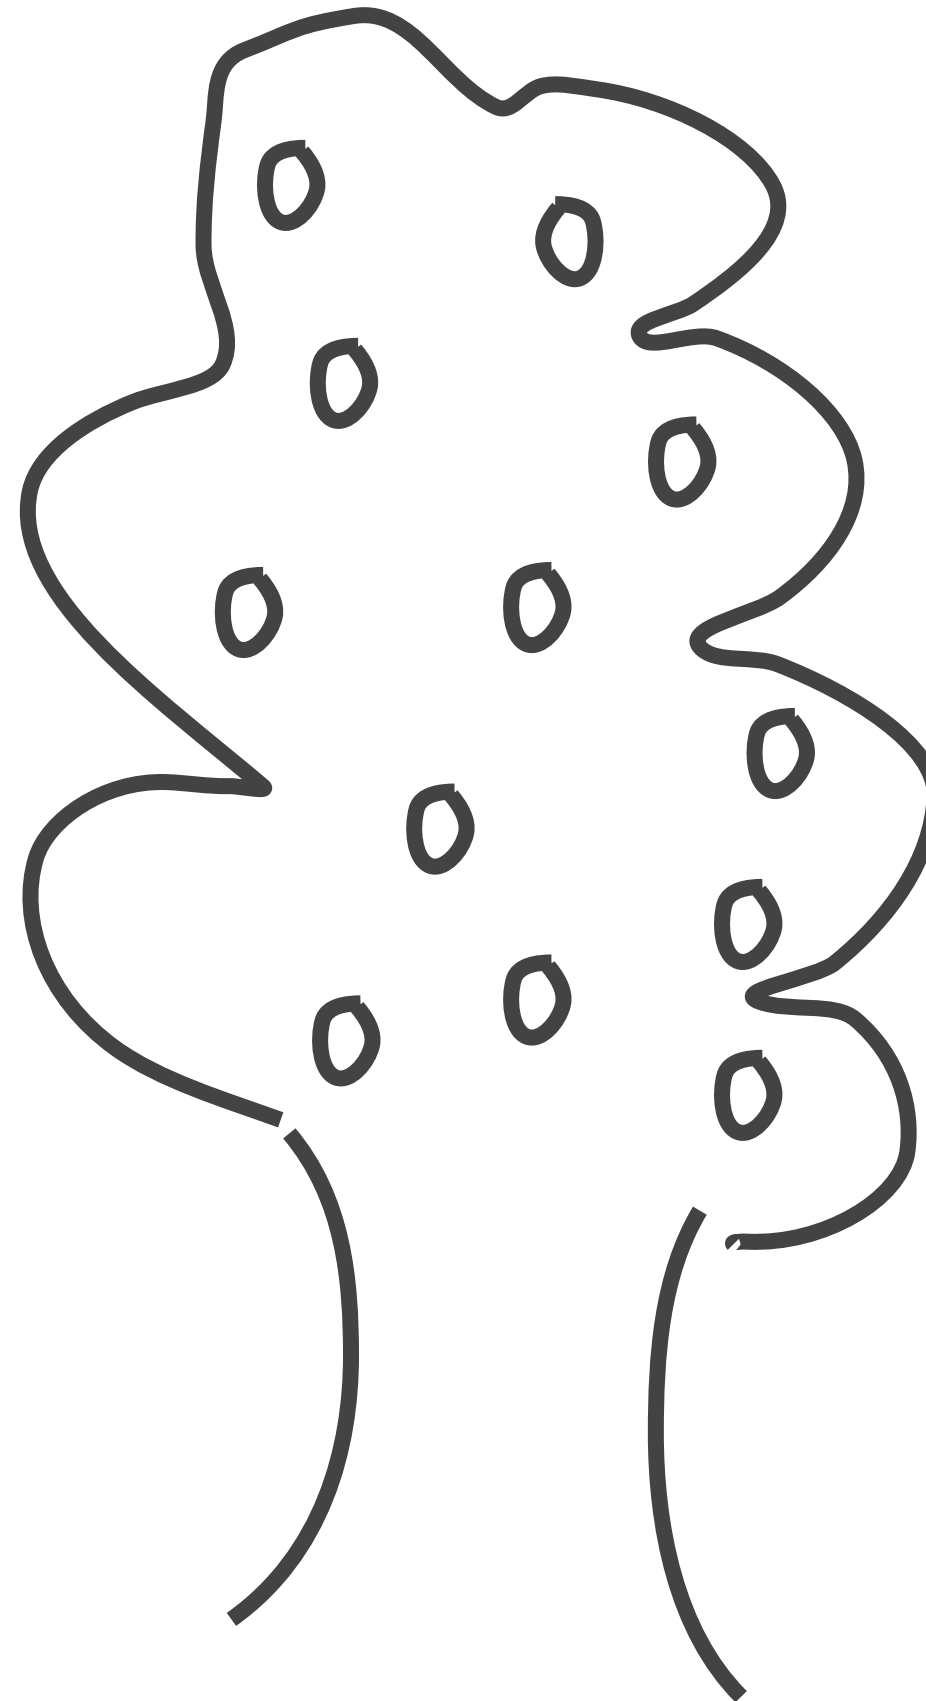

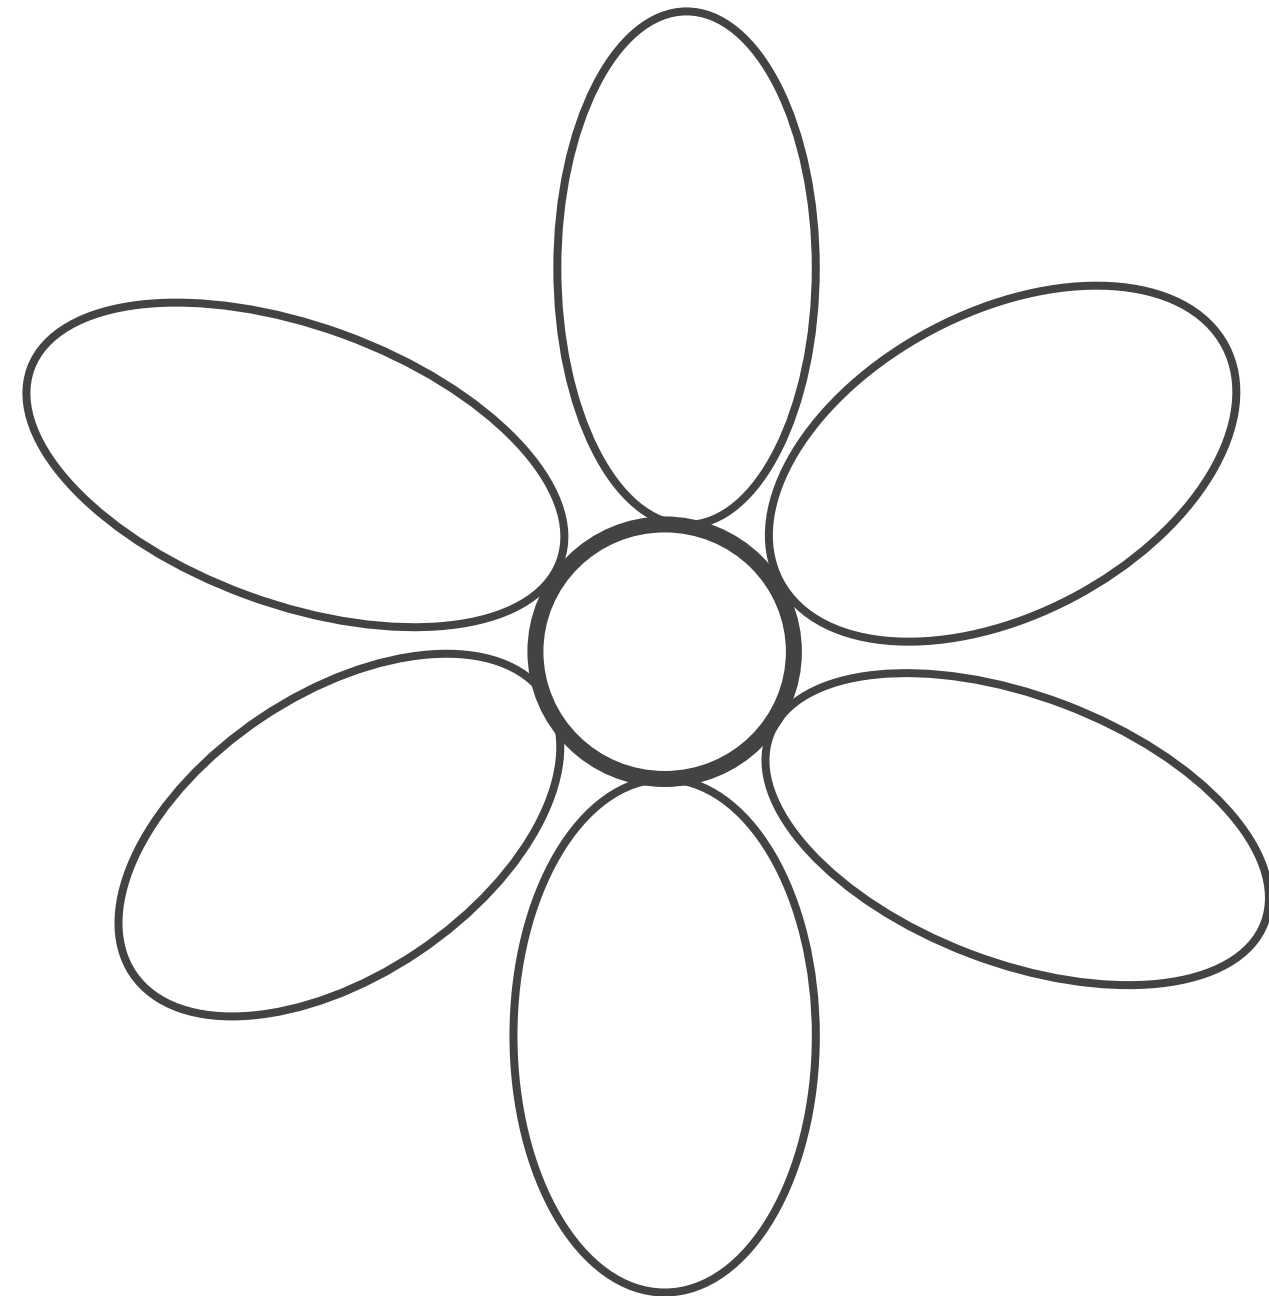

Colour in this shape.

Pick just one colour and have a go colouring it in.

Try really hard not to go outside of the lines.

# Colouring with different colours

Colour in these pictures with different colours.

Take as long as you need as it is better to go carefully than to be fast.
