Lesson 2: How would you lay out your web page?

Computing

Web page creation

Jordan Bickel

Task 1: Design your own web page
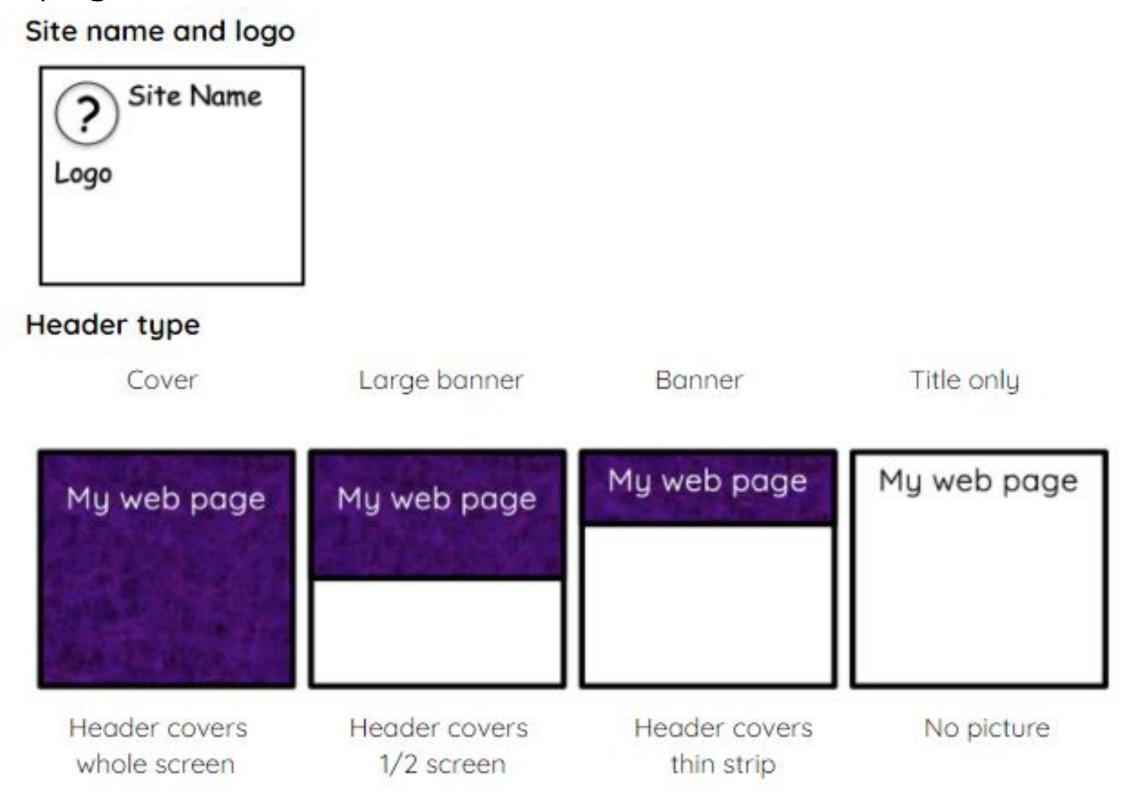

Design your web page in the space provided. Include your logo, website name, header, text, and image choices.

Logo	Website Name	
Header Title		
Image	Image	Image
Text	Text	Text

Task 1: Design your own web page

If using a blank piece of paper for your design, use the next two slides to support you in designing what your own web page will look like.

Site name and logo

? Site Name

Logo

Header type

Cover	Large banner	Banner	Title only
My web page	My web page	My web page	My web page
Header covers whole screen	Header covers 1/2 screen	Header covers thin strip	No picture

Task 1: Design your own web page

If using a blank piece of paper for your design, use the next two slides to support you in designing what your own web page will look like.
