Mathematics Independent Task

Counting back in ones to subtract

Miss Robson

Activity

Choose a square, and using the number line to jump back, complete the subtraction. Find the answer at the top, and use that colour to colour in the square with that equation.

If printing this document makes it hard to see the colours of the squares, please follow this colour guide:

Square 1 is Yellow
Square 2 is Blue
Square 3 is Red
Square 4 is Green
Square 5 is White
Square 6 is Orange
Square 7 is Black.

If you cannot use colouring pencils, write the colour in the box.

1 = 2 = 3 = 4 = 5 = 6 = 7 =

7 - 3	7 - 2	7 - 1	7 - 0
6 - 3	6 - 2	6 - 1	6 - 0
5 - 3	5 - 2	5 - 1	5 - 0
4 - 3	4 - 2	4 - 1	4 - 0

0 1 2 3 4 5 6 7 8 9 10
