

How does the weather change across the seasons?

Science - Seasons and the weather

Miss Harris

Season and the weather 100% Sheet

This is your 100% sheet for our unit, the Seasons and the weather.

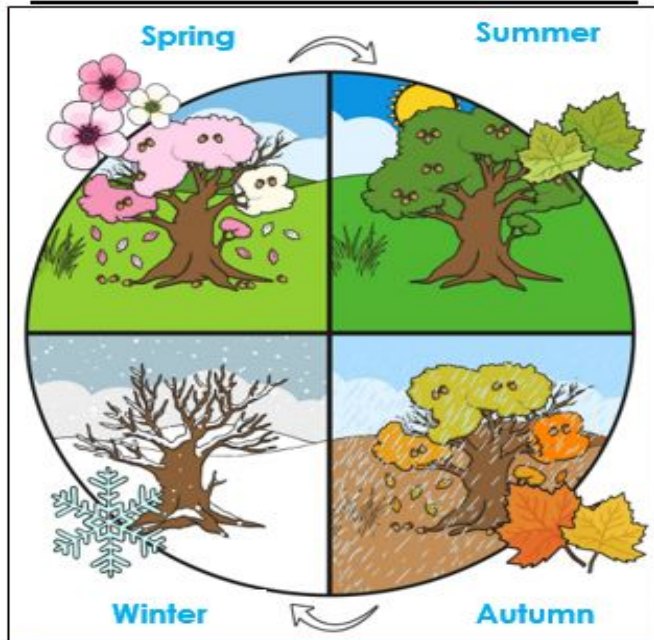

- Hang it somewhere in your house where you will see it everyday (examples include; a fridge, wall or back of your door)
- Practise learning the key facts, it will help you in future lessons
- Use it to make flash cards
- See if you can learn all of the facts quicker than your parent or carer!
