

Mathematics

Comparing numbers

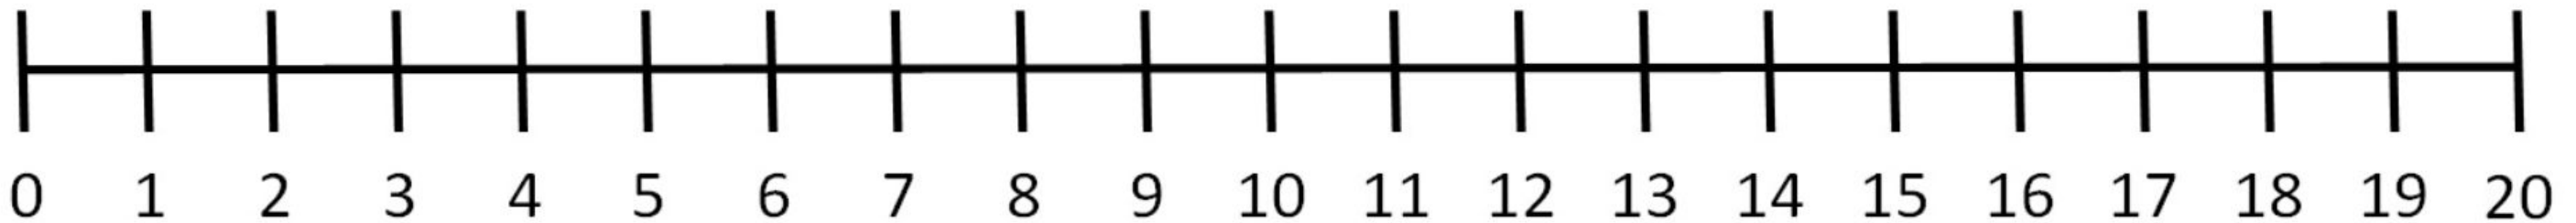

Mrs Bramble and Miss Sidhu

Independent Task

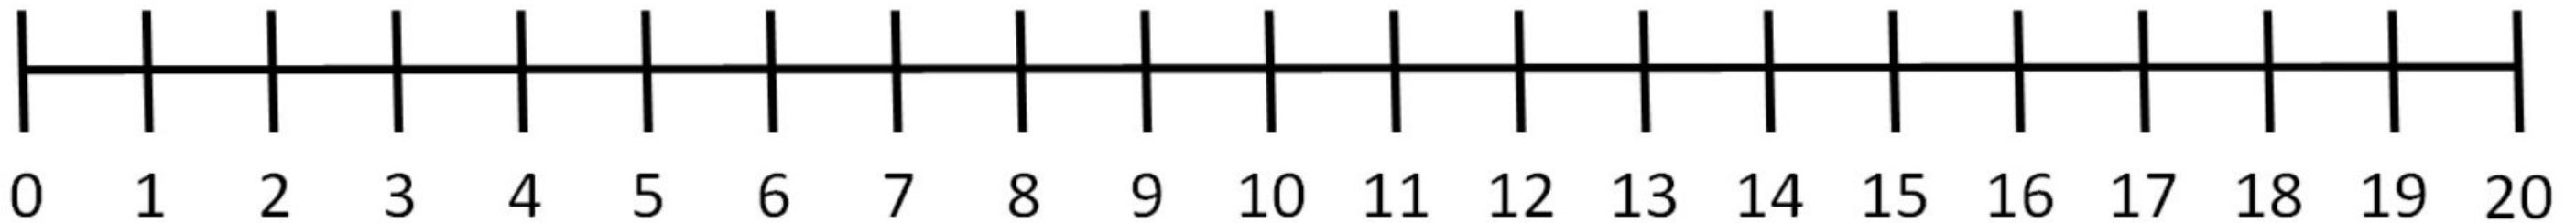

I'm thinking of two numbers with a difference of 4. One of the numbers is 7. What might the other number be?

Independent Task

I'm thinking of two numbers with a difference of 3. One of the numbers is 14. What might the other number be?

Independent Task

I'm thinking of two numbers with a difference of 6. One of the numbers is 6. What might the other number be?
