Main Task: Translate

'dominum habetis. dominum non habemus. semper laboratis. non laboramus. collaria habetis. collaria non habemus. semper pecus spectatis. sed solum ossa consumitis. pecus semper consumimus. cur nobiscum non consumitis? pecus est cibus optimus. dividemus.'

Additional Vocabulary		
collaria = collars	pecus = sheep	solum = only
ossa = bones	nobiscum = with us	dividemus = we will share

Challenge: Translate

canes audiunt et lupos in fundum invitant. lupi intrant. lupi canes necant.

Additional Vocabulary		
canes = dogs	*lupos* = wolves (accusative)	*fundum* = farm
lupi = wolves		

Review

Only turn to this section once you have completed the main task(s).

Main Task: Correct your answers.

'dominum habetis. dominum non habemus. semper laboratis. non laboramus. <u>collaria</u> habetis. <u>collaria</u> non habemus. semper <u>pecus</u> spectatis. sed <u>solum</u> <u>ossa</u> consumitis. <u>pecus</u> semper consumimus. cur <u>nobiscum</u> non consumitis? <u>pecus</u> est cibus optimus. <u>dividemus</u>.'

'You (pl) have a master. We do not have a master. You (pl) always work. We do not work. You (pl) have collars. We do not have collars. You (pl) always watch the sheep. But you (pl) only eat bones. We always eat sheep. Why don't you (pl) eat with us? Sheep is/are excellent food. We will share.'
