Lesson 6: Sharing

Computing

Computer Systems

Kashif Ahmed

Materials from the Teach Computing Curriculum created by the National Centre for Computing Education

Task 1 - Naughty elf program

Go to: oaknat.uk/comp-scratch-elf

What does the program do?

Task 1 - Naughty elf program

Were there any interesting buttons that you saw? Do you know what they do?

Task 2 - Implications

What do you like about being able to 'See inside' and 'Remix' projects?

How do you feel about other people being able to do that with your projects?
