

Physics - Key Stage 3 - Energy

Lesson 14: Renewable energy resources

Mrs Evans

Independent practice: answer the questions

1. Name 5 renewable energy resources
2. What does renewable mean?
3. What does infinite mean?

Independent practice: complete the table

Resource	Main energy stores of source	Description
solar		
hydroelectric		
tidal		
biomass		
wind		
geothermal		

Independent practice: complete the table

Resource	Advantages	Disadvantages
all		
solar		
hydroelectric		
tidal		
biomass		
wind		
geothermal
